DIVISION OF  
OIL, GAS & MINING

Dear Mr. Gross:

RE: Notice of Intent to Commence Small Mining Operations, ML 44152 - Met. Min.

I have reviewed your Plan and find it in order. You may proceed with the operation as outlined in the Plan with the following stipulations:

1. All disturbances resulting from operations on the lease will be fully reclaimed in compliance with the lease and to the satisfaction of the Division of State Lands and Forestry.
2. The Division of State Lands and Forestry is notified upon completion of the project.
3. A surety bond must be posted with the Division of State Lands and Forestry in the amount of \$10,000 to insure reclamation and compliance with any other lease stipulation.
4. Compliance with the State of Utah Antiquities Act forbidding disturbance of archeological, historical, or paleontological remains; and, immediate suspension of operations and notification of the Division of State History in the event such remains are encountered.
5. Granting this approval does not alleviate the necessity to comply with the requirements of the Division and Board of Oil, Gas, and Mining regarding this development. You must contact them and comply with their requirements before beginning any work. Their address is: Division of Oil, Gas, and Mining, 355 W. North Temple, 3 Triad Center, Suite 350, Salt Lake City, UT 84180-1203.

Sincerely,

JERRY W. MANSFIELD
